

Piecemakers Quilt Guild of Southern Alameda County
2022 Quilt Show Boutique
Donations from Members

At the 2022 Quilt Show, handmade items created by Piecemakers members will be featured throughout the two-day event in our Boutique. You are invited to participate by making and entering items to be sold. This is an opportunity to earn some dollars for your handiwork or contribute much-appreciated funds for Guild activities.

For members choosing to donate:

- **First, thank you!!!! Your skill, creativity, and willingness to donate items to be sold in support of Guild programming and activities are very appreciated.**
- You may enter as many items as you like, but all things should be new, well made, and in excellent condition.
- Items will be priced and ticketed by Boutique committee members.
- Items may be given to **Amy Gunnarson, Cynthia Kearney, or Ann Anderson** at Guild meetings or other times. All items are due by **Tuesday, May 3, 2022** (May Guild Meeting).
- It is best to get the items as soon as possible for tagging and pricing, so please call when you are ready, so we can arrange to pick them up from you.
